For personal use, either by yourself or by your intended recipient(s) of the products.

Details of the products available for purchase (including their price) are set out on The Ascence eStore. ORDERING PRODUCTS

Once you have selected the products you wish to order, click on the “Checkout” button at the end of the checkout process.

Once you have clicked on the “Checkout” button, you have made a binding offer for the sale of goods. Your offer at this stage is still subject to our acceptance. In order that we may accept your offer, we obtain an authorisation from your BANK for the amount detailed on the order summary page. We are not taking funds from your BANK ACCOUNT/CARD at this stage, although the amount available for you to spend will be reduced by the authorisation. This is a normal process with the BANKS. If your BANK should not give an authorisation, your order will not be processed further.

- We are deemed to have accepted your offer, and a corresponding contract of sale for the products you have ordered is concluded between you and The Ascence only upon those products being dispatched to you, as detailed in the delivery order.

The Ascence may refuse or be unable to process your order if:

- The product you ordered is discontinued or no longer available.
- Your BANK does not give authorisation for the payment of the purchase price.
- You do not meet the eligibility to order criteria set out above.

ORDER CANCELLATION

Before you place your order, you can view the contents and the total amount in your shopping basket. Once your order has been submitted successfully and payment is received for your purchase, the order will be "Sent for Delivery," entering the delivery process immediately. We advise that you carefully review and modify your order **prior to payment submission**. Once your order has been "Sent for Delivery", it has entered the delivery process and **no further changes can be made**.
